

## **Student Loan Reports Available from Student Loan Foundation**

It can be difficult to keep all of the information on your student loans straight, especially if you have more than one, and chances are you do. You need to know the kinds of loans you have taken out, the balance on each of the loans, the status on each loan, who your lenders are, who your servicers are, the interest rates on each loan, the dates that the loans were disbursed. Who can remember all of that?

### **Receive a Detailed Report from Student Loan Foundation**

With a report from Student Loan Foundation, you don't have to keep it all straight, because we do it for you! Student Loan Foundation offers a personalized, detailed summary on all of your Federal Student Loans, FAFSA aid and other student aid data. We receive this data directly from the National Student Loan Data System, so you can be assured that this data is accurate and up-to-date.

How much would you pay to have this invaluable information sent directly to you? That's the best part. This report is completely FREE! That's right! At Student Loan Foundation, we collect and deliver this information to you free of charge! It's also quick! Within 24 hours of your request, your report is processed and delivered. We provide this detailed loan report as a free service to our customers to assist them in managing their student loan debt and becoming financially successful. Each report is confidential.

Upon receiving your report, if you have any questions or concerns, feel free to contact us at Student Loan Foundation and one of our loan experts will help you.

### **Who can Qualify for this Service?**

We offer our free services to anyone who has taken out Federal Student Loans. Even if you only have a single outstanding loan, we can still provide you with the information that you need about the loan.

### **Important Information**

This information is important for all borrowers to have for tax reasons, and personal finance purposes. It is also important to have this information to know when to repay your loans and to know if you qualify to consolidate your loans. By having a detailed report, you will be better able to manage your student loans and eliminate your loan debt.
